### **1. CONFERENCE SCOPE**

The 10<sup>th</sup> international symposium of East Asia Fisheries Technologists Association (10<sup>th</sup> EAFTA 2023), embedded the International Symposium on Plasma & Fine Bubbles (ISPFB) 2023 and the Food Society of Modern International Lifestyle Education (FSMILE), will be held at Iwate University, Morioka, Japan, May 17-20, 2023. This symposium is initiated further to provide an open forum for the introduction and discussion of the most current status of innovative scientific and technological achievements in the sustainable food system. Since 2013, the symposium has been successfully held in Hakodate, Japan (Hokkaido University), Shanghai, China (Shanghai Ocean University), Bangkok, Thailand (Kasetsart University), Busan, Korea (Pukyong National University), Tokyo, Japan (Tokyo University of Marine Science and Technology), Hangzhou, China (Zhejiang University), Bogor, Indonesia (IPB University), Sanya, China (Hainan Tropical Ocean University, online), Nha Trang, Vietnam (Nha Trang University), and is becoming an influential academic event in East Asia. Topics will cover the latest theoretical and experimental developments related to agriculture and aquaculture, including functional food and food processing, food and nutrition education, food quality and safety, food loss, food behavior. In this context, this 10<sup>th</sup> EAFTA 2023 is again unique and most useful in developing rapidly emerging and innovative technologies relating to environment-friendly food processing technologies, food safety and food education, etc. A symposium will be provided to share the latest research achievements in the fields related to sustainable food system. Also, keynote lectures with novel topics which draw more attention to food development and utilization will no doubt provide more in-depth discussions and understandings on these related directions.

### **2. OBJECTIVE OF CONFERENCE**

1. To disseminate latest research outputs among research communities that benefit the public at international levels.
2. To provide the opportunities for developing academic leadership through their research presentations at this international symposium.

### **3. INTERNATIONAL ORGANIZING COMMITTEE**

#### **Chair**

Megumi NISHIMUKAI Iwate University (Agri-Innovation center), Japan

#### **Vice Chair**

Koichi TAKAKI Iwate University (Agri-Innovation center), Japan

Chunhong YUAN

Iwate University (Agri-Innovation center), Japan

**General Secretary**

Katsuyuki TAKAHASHI

Iwate University, Japan

Zhuolin WANG

Iwate University, Japan

**Program /Academic Committee**

Hiroyuki SHIMONO

## 4. CONFERENCE DATE and VENUE

### 4.1 Conference Date

17<sup>th</sup> – 20<sup>th</sup> May, 2023.

### 4.2 Conference Venue (for onsite presentation)

Ueda Campus, Iwate University.

3-18-8 Ueda, Morioka, Iwate 020-8550 JAPAN.

<https://www.iwate-u.ac.jp/english/index.html>

#Hokuto-hall (Faculty of Education) <https://www.iwate-u.ac.jp/english/access.html>

Floor	Room	Activities
Floor 1	#Hokuto-hall	Opening Ceremony Presentation (Plenary) Presentation EAFTA2023 (Keynote, Invited and General)
Floor 2	Online lecture room	Poster session

#Ginga-Hall (Faculty of Science and Engineering)

Floor	Room	Activities
Floor 1	#Ginga-Hall	Presentation ISFPB 2023 (Keynote, Invited and General)

## 5. ACTIVITIES

1. Keynote addresses
2. Presentations (Invited, Oral and Poster Presentation; Onsite and Online via zoom system)
3. Online Exhibition (TBD)

## 6. FOR PAPERS IN AREA OF PRESENTATION

Applicants can present their research works either in the form of Oral Presentation, which can be divided into the 5 areas:

1. Approaches for sustainable food systems from production to consumption
2. Functional food and food processing.
3. Food and nutrition education.
4. Food quality and safety.
5. Food loss & Food behavior.

**\*\*Remark;** Abstracts will be published as PDF formatted 10<sup>th</sup> EAFTA Abstract book via online.

## 7. IMPORTANT DATES

Registration and abstract submission (<http://www.eafta.org/>)

Details	Date
E-mail registration and 1-page abstract submission <b>Please send Your Name, Affiliation, and Contact e-mail address to <a href="mailto:eafta2013@gmail.com">eafta2013@gmail.com</a></b>	From 1 <sup>st</sup> March 2023 To 15 <sup>th</sup> April 2023

<b>and your abstract</b> <i>if you wish to make your presentation.</i>	
Notification of acceptance to presenters Program and Schedule send to presenters	Due by 20 <sup>th</sup> April 2023

## **8. REGISTRATION FEE**

Presentation at both 10th EAFTA 2023, ISPF and FSMILE is good by single payment.

The “Regular participants” fee include coffee breaks during the conference and a conference kit.  
The “Full-time student” fee include coffee breaks during the conference and a conference kit.

For online participation only, registration fee is free.

	<b>On-Site Registration only</b>
❖ <b>International Regular participants</b>	30,000 JPY
❖ <b>Local Regular participants</b>	15,000 JPY
❖ <b>Full-time student</b>	5,000 JPY
❖ <b>Banquet</b>	5,000 JPY

## **REMARK**

- **Presentation Language: English**
- Presentation data is shared via Zoom system.

### **Keynote Presentation**

- 40 minutes for present, 5 minutes for Q&A total 45 minutes for keynote presentation.

### **Invited Presentation**

- 20 minutes for present, 5 minutes for Q&A total 25 minutes for invited presentation.

### **General Oral Presentation**

- 12 minutes for present, 3 minutes for Q&A total 15 minutes for general oral presentation.

### **Poster Presentation**

- 3 minutes for present, 2 minutes for Q&A total 5 minutes for online poster presentation.
- Electronic-poster will be posted in EAFTA website during May 17-20th.

**Students are encouraged to participate in the presentation and the selected outstanding speakers will be nominated at the closing ceremony by Program academic committee.**

## **9. Papers on the Frontiers in Sustainable Food Systems**

10<sup>th</sup> EAFTA 2023 committees encourage you to submit your manuscripts to a Research Topic in Frontiers in Sustainable Food Systems (JCR Q2, Impact Factor 5.005, Cite Score 4.0).
